

Funkenerosion

Head-Generator-Unit

2 processes - 1 solution

individual adjustments of the unit according to customer requirements

Advantages:

- + W-axis travel
500 - 1.100 mm
- + minimized set-up times
- + water-cooled generator
- + mobile generator cabinet
- + Rittal control cabinet
- + adaptable to large machines
- + all-purpose
- + lunette guide optional
- + price advantage compared to new machine
- + 80 or 40 ampere generator

Heun Funkenerosion GmbH * Lange Hecke 4 * 63796 Kahl am Main * Germany

Technical data

Modular high-frequency generator

length	mm	800
width	mm	500
height	mm	1.800
removal rate stainless steel	mm/min.	ca. 65
removal rate aluminium	mm/min.	ca. 200
electrode diameter	mm	0,1 - 6,0
applicable electrode length	mm	up to 800

W-axis-travel	500 - 1.100
travel eroding axis	max. 1.300

Technical data PC-control with system Window 7

ergonomically designed operation terminal
PC keyboard and mouse

Exceptional features:

- powerful generator with latest technic
- no burr formation
- high pressure ceramic piston pump
- freely programmable technology banks
- freely programmable depth- and retract position
- water cooled generator
- USB - interface
- software options possible
- control diagnosis with remote maintenance
